

**REGULATED FIRE
CLOSURE
PRINEVILLE DISTRICT
Bureau of Land Management**

Pursuant to 43 CFR 9212.2(a), the Public Use Restrictions listed below was enacted on July 19, 2007 to prohibit activities on public lands that increase the chances of wildland fire during the summer season.

1. Building, maintaining, attending or using a fire, campfire, or stove fire including a charcoal fire.
2. Smoking except while in non-public buildings, within a closed vehicle, while in a boat floating on the water, or while standing in the water.
3. Operating any type of motorized vehicle off of developed roads, with the exception that riding is permitted within the pit play areas at Rosland and Millican/ODOT OHV Areas, which will remain open to class I and class III ATV's. Developed roads are those intended for automobiles use and clear of all flammable vegetation and debris.
4. Welding or operating an acetylene torch or other open flame.
5. Operating a chainsaw, generator, or other internal combustion engine.

As of 21 August, 2007 the public use restrictions enacted on July 19, 2007 are cancelled.

Equipment operators must continue to follow Industrial Fire Precaution Levels (IFPL).
